Music at Kyneton

At Kyneton Secondary College, we have an exciting instrumental music program. Students can elect to take part in music lessons with experienced, professional teachers through the school. Individual or small group lessons are held once a week during the school day. Students are withdrawn from class on a rotating timetable so that they don’t miss the same class from week to week. We also have a fantastic Choir for students to participate in.

Currently lessons are highly subsidised by the school and cost only $320 for a whole year’s tuition – that is only $8 a lesson! Subsidised instruments include:

- FLUTE
  - hire available
- CLARINET
  - hire available
- SAXOPHONES
  - hire available
- TRUMPET
  - hire available
- TROMBONE
  - hire available
- PIANO

Lessons are also offered in DRUMS, SINGING, GUITAR and BASS with prices set by our highly qualified, specialist private teachers.

Please turn over the page for information on how to sign up!
Congratulations on choosing to be a part of Kyneton Secondary College’s Instrumental Music Program! Many studies have shown that learning an instrument helps you develop your memory and alertness, as well as showing that students who play music often do better in their regular school subjects. Playing music can improve your confidence, self-esteem and self-discipline. It is also a lot of fun and offers you the opportunity to participate in activities like bands, school production and solo performances.

Now that you have chosen to learn an instrument at school, please fill in the form below and return it to the office along with your booklist. Alternatively, please go to the school website www.kynsec.vic.edu.au and follow the links to ‘Instrumental Music’ where you will find an online form to fill in. A music teacher will contact you by the first few weeks of Term 1.

For any further information, please contact Faye Zollia at the school on 54211100 or by email at zollia.fayeanne.e@edumail.vic.gov.au.

We look forward to seeing you in the music room next year!
